

**Yellow warning
Snow**

Between
00:00 Wed 8 Mar 2023 and
23:59 Wed 8 Mar 2023

A period of snow is likely to cause some travel disruption during Wednesday.

What to expect

- There is a small chance of travel delays on roads with some stranded vehicles and passengers, along with delayed or cancelled rail and air travel
- There is a slight chance that some rural communities could become cut off
- There is a small chance that power cuts will occur and other services, such as mobile phone coverage, may be affected
- A small chance of injuries from slips and falls on icy surfaces
- There is a slight chance that bus and train services may be delayed or cancelled, with some road closures and longer journey times

Further details

Spells of snow reaching parts of southwest England late on Tuesday evening will then spread north during the early hours of Wednesday before clearing away eastwards during Wednesday daytime.

Many parts can expect accumulations of 1 to 2 cm of snow whilst over higher parts of southwest England, especially Bodmin Moor, Dartmoor and Exmoor, along with the hills and mountains of south Wales 5 to 10 cm of snow is likely for some.

Untreated surfaces are also expected to become icy.

✓ Very low likelihood of medium impacts
